Application for the position of “Regional Manager- Field Sales”

Dear Sir/Madam,

In response to your job advertisement, I would like to apply for the position of “Regional Manager- Field Sales”. I understand from your advertisement that your organization needs young and dynamic people for dealer development, dealer handling and sales prospects. And I think, in Bangladesh’s motorcycle market Honda is most promising and strong brand of motorcycle. That’s why I want to be a part of the team. And you can notice from my enclosed resume that, I have worked with dealer development throughout Bangladesh. So, I think I have adequate knowledge of dealer expansion and dealer handling techniques. As well as dealer manpower’s training for sales growth and market share. That’s, why I think I will be an ideal candidate for the position to explore myself.

And also want to inform you that, I have a valid driving license.

Thanking you.

Salauddin Mishal
