- Efficient in working as individual as well as group.
- Highly Motivated & eager to learn new things.
- Accuracy & attention to details.

Software Skills:

- Solidworks
- Autocad
- Microsoft office (Word, excel, Powerpoint)

ACADEMIC QUALIFICATION

Bsc. in Mechanical Engineering

Military Institute of Science and Technology(MIST)

CGPA: 2.63 out of 4.

Higher Secondary Cetificate(H.S.C)

Govt. Syed Hatem Ali College.

GPA: 5 out of 5.

Secondary School Cetificate(S.S.C)

Barisal Zilla School.

GPA: 5 out of 5.

TRAININGS

Trainings

→ DHAKA Water Supply & Sewerage Authority (DWASA)

→ BBS Cables, visited for one day.

→ Runners Automobiles, Visited for one day.

Learnt topics:

Lathe machines, Water pumping, Motors, Generators, water purifications, & testing, Cable metals and plates manufacturing, motorcycle parts assembling.

Projects & Thesis

Projects

- ➔ Design & Development of a smart home security system.
- ➔ Design & Development of a Can Crusher.

Thesis

Development of a cost effective water supply system adapting motion sensor.

Extracurricular activities

Club Memberships

- ➔ MIST Automotive Club.
- ➔ MIST Robotics Club.

Volunteer

International Conference on Mechanical Engineering and Applied Science (ICMEAS) and some Club oriented programs.

Leadership quality

Class representative of ME-12 batch in MIST.

Interests

Sports, Reading books, Playing video games, Watching movies and TV series, Travelling to new places.

Achievements

1. Board Scholarships in HSC.
2. Project was successfully completed and presented in the project show organized by MIST.
3. Essential member on organizing different successful events in the university as well as Mechanical engineering department.
