Hiring Manager

Bangladesh Honda Private Limited

Crystal Palace (12th Floor), House # 22, Road # 140,
Gulshan-1, Dhaka 1212, Bangladesh

Dear Sir

I am thrilled to be applying for the recently circulated position of "*Executive-Tax*" in Finance & Accounts (F&A) division of Bangladesh Honda Private Limited. Having gone through the required responsibilities annexed to this position and as being an energetic and fervent individual who has keen to learn and perform in the field of finance, accounting and taxation, it is with the utmost confidence that I would make quite a bargain in fulfilling the required responsibilities of mentioned field. I find myself apt for this role as I have 3.5 (three) years of in-depth practical experience working with the finance, accounting and taxation and practices of my clientele, all being multinational and local corporations, at my current organization.

I am currently serving as a "Senior Assistant Manager" in the Taxation and Corporate Affairs department of one of the biggest accountancy firms of the country, ACNABIN Chartered Accountants. Now, I would like to step it up a notch, and get involved with a corporate giant in its industry. I believe *Honda* will act as a bridge to achieve my aspirations. Please bear with me as I share some insights on my life that cannot be reflected in a generic résumé.

I started my chartered accountancy career in ACNABIN under the Institute of Chartered Accountants of Bangladesh (ICAB) back in 2016 just after obtaining MBA major in Accounting & Information Systems from Jagannath University. My work involved handling the finances, accounting conforming the application of relevant IAS & IFRS of my assigned clientele, including overseeing their day-to-day operations, advising on tax and VAT deduction on transactions, filing monthly returns to regulatory authorities, filing annual corporate tax return etc. I am so opportune that I have to work on behalf of the client as assisting and advising on preparation of financial statements as per requirements of regulatory authorities and taxation matters that help me to learn enormously how an accounting systems and analysis of the performance of corporate house works. Even I, in collaboration with client, have to fulfil the requirements of statutory auditors that helps to learn preparing budgetary control, performance analysis considering key performance indicators, noncurrent assets management, analyzing financial statements using the tools like ratio analysis and fulfilling the reporting requirement of top tier management and statutory authorities like NBR, Bangladesh Bank, RJSC. Concurrently, I have to also study and pass my chartered accountancy modules. I have completed certificate level within 2 attempt, considered as good result in accountancy profession and 2 modules out of 7 modules of professional level.

Lastly, I believe I possess the expertise and knowledge to take good care of the financial, accounting and taxation issues considering the budgeting and reporting of *Bangladesh Honda Private Limited*. I eagerly look forward to hearing from you and blossoming our partnership into an effective collaboration.

Kind regards

Ashraful Saon
