

CBR
150R
OWN THE RIDE

MotoGP edition with
Dual Channel ABS

ABSOLUTELY IN CONTROL

The new Honda CBR150R now comes with Sportier Front Look and Striping Design with Emergency Stop Signal, ABS (Anti-Lock Braking System) and many more advanced features. The CBR150R gives you the charge for having Total Control and fulfills your desire to have freedom of driving with exceptional engine performance and perfect balance. As a result, you can feel the sensation of driving with full control to move freely and follow your desire on the streets and racing tracks

NEW ADJUSTABLE FRONT AND REAR SUSPENSION

Front and rear suspension that can be adjusted according to your comfort

DOHC 6-SPEED ENGINE

Provides more powerful performance with more responsive acceleration, while remaining efficient with PGM-FI technology for a more pleasant driving sensation.

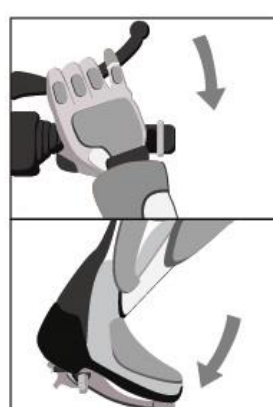

OWN THE RIDE WITH NEW ADVANCED FEATURES

NEW ANTI-LOCK BRAKING SYSTEM + NEW EMERGENCY STOP SIGNAL

Now own your every ride with the Anti-Lock Braking System (ABS) feature, which provides more stable braking to prevent the wheels from being locked during sudden braking or slippery road conditions. And the new Emergency Stop Signal feature gives hazard light signals during sudden braking to alert other drivers.

The Hazard Light Signal will automatically turn on at the front and rear during sudden braking to help other drivers respond faster

NEW VISOR AND FRONT COVER

Feel the sensation of a real racing motorbike with a sportier visor design and exciting front cover

NEW PANEL METER COLOR

The new sportier and splendid full digital display panel carries all the necessary information for you

NEW WAVY DISC BRAKE

The new disc and alloy design adds to the racing personality makes your rides cool and sporty.
