Work Experience

Industrial Engineer

Southern Services Ltd. (Nov. 2016 to cont....)
Zirabo, Ashuliya, Dhaka

- Working under the guidance of WCO Consultant (Chennai, India) in assisting LEAN Manufacturing system Implementation project in the factory.
- Develop manufacturing methods, labor utilization standards and cost analysis systems to promote efficient staff and facility utilization.
- Maintaining 5S, KAIZEN, KANBAN, Yamazumi, QCO practices at the production floor to eliminate waste and increase productivity.
- Use engineering drawings and LEAN techniques to create optimized manufacturing facility layout as well as production line layout which can ultimately smooth the product flow within the plant i.e reduce excess transportation & material handling.
- Conduct studies pertaining to production line costing, identifying opportunities for cost reduction, inventory control, and standardization of plant production systems.
- Provide training on LEAN concepts to all staff to promote a culture of continuous improvement.

Education

B.Sc. in Industrial & Production Engineering

Khulna University of Engineering & Tech. 2010-2014
CGPA – 3.34 out of 4

H.S.C in Science

Rajshahi New Govt. Degree College 2007-2009
GPA – 5 out of 5

S.S.C in Science

Fulbari G.M Pilot High School 2002-2007
Fulbari, Dinajpur
GPA – 5 out of 5

Lean Green Belt Certification

2015
TÜV SÜD South Asia Pvt. Ltd (15 days)

Management Trainee (March 15 – Oct 16)

EPIC Garments Manufacturing Company (1 yr. 7 month)
Adamjee EPZ, Narayanganj.

- Preparing daily production reports & keep track of every orders production progress data.
- Prepare production schedules and coordinate with production dept to keep the plan on track. Develop the master schedule for production.
- Follow up the supply chain, material management, and logistics activities with internal/external suppliers to ensure on time & smooth line feeding.
- Conducting plant production capacity analysis to determine whether present and future target orders consistent with plant capacity to ensure overall efficiency improvements.
- Walmart Manufacturing Excellence Project

Skill Set

- Windows
- MS Office
- Internet
- Solidworks
- AutoCAD

Career Objective

As an **Industrial engineer** my focus on how to get the work done most efficiently; balancing many factors—such as work hours, manpower & machine requirements, available technology, actions workers need to take, achieving the end product with no errors, workers' safety, environmental concerns, and cost.

Bio-data

Father: Moklesar Rahman

Mother: Sazeda Begum

Nationality: Bangladeshi

Birth Date: 1st January, 1992

Age: 25 years

Sex: Male

Religion: Islam

Permanent Address:

Village: Sajanpukur

Word-06, Fulbari Pouroshova

Post: Fulbari-5260

Upzilla: Fulbari

District: Dinajpur

Declaration

I solemnly declare that, according to my Knowledge and belief the above information is properly describes my qualifications and myself.

Sincerely Yours,

Moshiur Rahman
