EXPERIENCE

icddr,b

18/02/2020 - 25/02/2020

Volunteer

It was an oral cholera vaccination program supported by the World Health Organization, GAVI, UNICEF, icddr,b, and The government of Bangladesh. As part of the vaccination program, people above one year old in Mohammadpur, Adabar, Darussalam, Lalbagh, Kamrangir Char, and Hazaribagh would be administered the first round of oral cholera vaccine from February 19 to 25. My duty was to give the vaccine to the people properly, and I was at Mohammadpur.

PROJECT

Physicochemical Quality Assessment of Drinking Water of Different Sources in HSTU Campus Area & A Baseline Survey on It.
