PROFESSIONAL BACKGROUND

Walton Digi-Tech Industries Ltd., Gazipur

Procurement & Sourcing Engineer (SCM) | Dec 2019 - Present

Profile: As a Procurement Engineer, Rezwanul possesses a strategic thinker's role to improve efficiencies by assessing and enhancing supply chain processes. He is responsible for working closely with Operations, Maintenance, Quality Control, Production, and Finance to scope, develop, and execute business improvement projects.

Key responsibilities:

- Managing the activity of sourcing coordination and processes for new product development, including supplier selection, capability assessment, quality improvement, and supplier readiness
- Researching potential sources of supply for purchased products to ensure sufficient production capacity is available within the supply chain and prices are globally competitive
- Participating in the development and maintenance of supplier certification, supplier development, and supplier evaluation programs
- Researching the latest technology and suggesting new machines to the decision-makers and appropriate purchasing managers if current machines are outdated or need to increase efficiency
- Communicating with vendors/suppliers and agents to ensure timely supply of quality goods, both in case of local and foreign procurement
- Anatomizing product specifications, quality, terms, and conditions of different offers and contracts and preparing orders to meet up organizational goals
- Visiting markets periodically, collecting quotations, preparing comparative statements, negotiating prices, placing purchase orders to the suppliers, and ensuring timely delivery
- Performing risk assessments and developing new projects to improve supply chain operations within allotted timeline and budget

Achievements:

- A submitted Project proposal was selected as the best in Jan 2020
- Got promoted twice within only one year work-duration
- Got successful in saving at least 5 lacks BDT per month through source optimization

Ventura Leatherware Mfy. (BD) Ltd., Uttara EPZ, Nilphamari
