

kashshaf labeeb

Electrical & Electronic Engineer

Dynamic and motivated professional with a proven record of generating and building relationships, managing projects from concept to completion, designing educational strategies, and coaching individuals to success. Skilled in building cross-functional teams, demonstrating exceptional communication skills, and making critical decisions during challenges. Adaptable and transformational leader with an ability to work independently, creating effective presentations, and developing opportunities that further establish organizational goals. Skills include computer networking, analytical thinking and creative problem solving. Able to apply customer service concepts to IT to improve user experience for clients, employees and administration.
