HOBBIES

CAREER OBJECTIVE

I'm a fresh graduate but I'm quick learner and I have quick adaptability to learn new things. I love to take challenge and like to speak with people, most importantly I'm a team player and love to contribute for my team so that I want to secure a position as a Sales professional to fully utilize my skills & business studies background to achieve goals of my company.

Experience

Intern- Sales

Jan 2021 to Enrolled

Currently I am working at **Walletmix LTD.** Here my key responsibility is conducting market research, identifying business opportunities, assisting Brand development, generating sales, making cold calls, participating in meeting with clients, and assisting the Sales department wherever possible.
