IHSAN MAHBOOB HOQ

Data analyst

Finance Graduate

Team Player

ABOUT ME

I am a self-motivated individual. My core motivation is to bring a sustainable impact that effects my surroundings. I am a value-driven person who does not shy away from questioning the status quo. I have a knack for learning and consider myself a deep learner as opposed to fast learner. Surface level knowledge does not sit well with me. I welcome challenges as they help me grow.

My creative outlets includes music production, cooking virtual gaming and sports.
